

Division of Health Service

1. The University offers nursing services to both full-time international students and exchange students. The Health Service Division of the University is located on the 2th floor of the Gymnasium. The services that the division provides include simple wound dressings, simple first aid, and treatment of minor illness. The division is not equipped to deal with emergency cases. In the event of emergency such as serious injury, patients will be taken to hospitals nearby by ambulance, accompanied by the staff.

2. The Health Service Division also offers health education and advice. Students who need personal health care or other medical advice are encouraged to visit the Health Service Division in person.
